LIST OF LODGES

Masonic

The 13 pages following the Table of Contents are included in the "List of Lodges—Masonic" at the request of a number of Grand Secretaries who participate in the "Conference of the Masonic Grand Lodge Secretaries in North America." They are used through their courtesy.

It is their feeling that if the secretaries of subsidiary lodges have information concerning the law and the practices of other Grand Jurisdictions readily available, a considerable amount of correspondence will be unnecessary.

It is with the hope that these pages will be helpful to both secretaries and Grand Secretaries that this information is included.
